HOW TO

Turn on auto-arrival

onside

Auto Arrival

Elite Beef
123 Stewart Street, Richmond VIC

Wayward Orchard

### What is auto-arrival?

Auto-arrival will automatically register when you enter a property and reminds you to check-in. You also get automatically checked-out when you leave at the end of the day.

Is my location tracked?

Onside only uses your location to register when you've entered or left a property. Only you can see your exact location in the app, this isn't shared with anyone else.

How do I turn it on?

Click the banner on your app that says 'Auto-arrival'. Find this on the properties search screen. Follow the instructions on the next screen to enable location services.

Will it drain my battery?

For an average Onside user, Onside will only use around 5% of their battery per day.
