

HOW TO

Check-in to a rural property

1

Find the property

Search the name of the property in the search bar.
Or, select it from the suggested list if it appears there.

2

Review the property details

Select the job you are there to do. Review new risks or rules since your last visit. Answer the check-in questions.

3

Check-in

Click the green button to 'Check-in to property'.
