

HOW TO

Create your account

1

DOWNLOAD THE APP

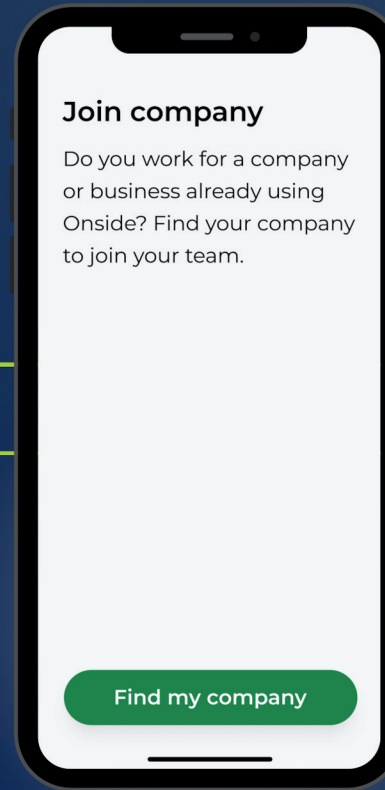

Go to the app store on your phone and download the **Onside app**. Open the app.

2

CREATE YOUR PROFILE

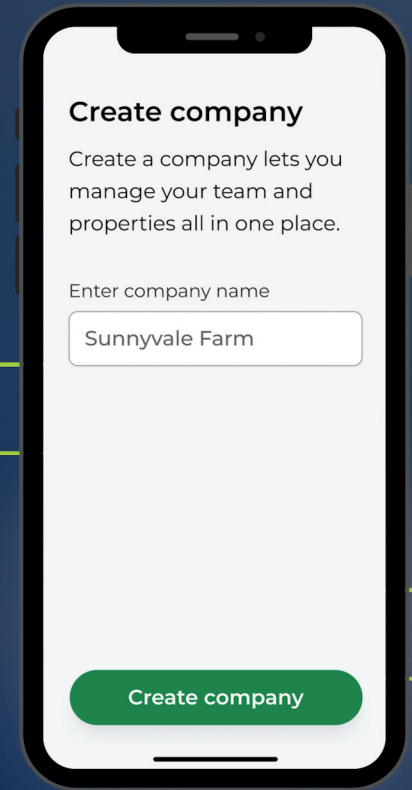

Enter the details to create your profile, then set your password.

3

FIND YOUR COMPANY

Click '**Join company**' then search for your company. Confirm and send a request to join.

4

OR, CREATE A COMPANY

If it doesn't exist in Onside already, click '**Create company**' and follow the instructions.
