

HOW TO

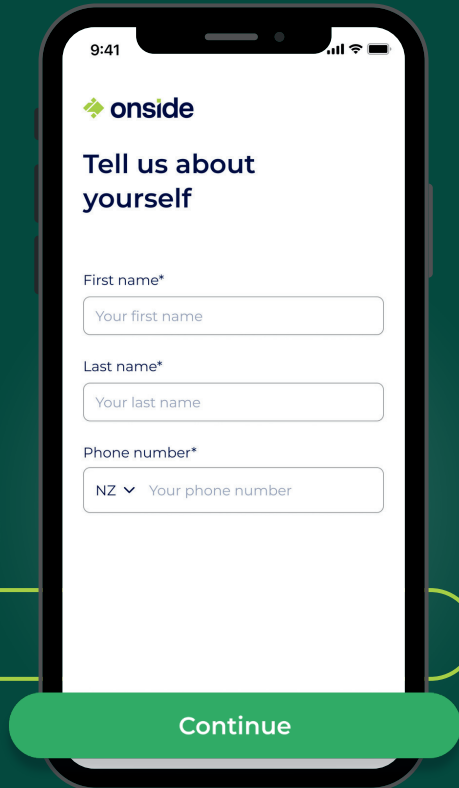

Create your account

1

DOWNLOAD THE APP

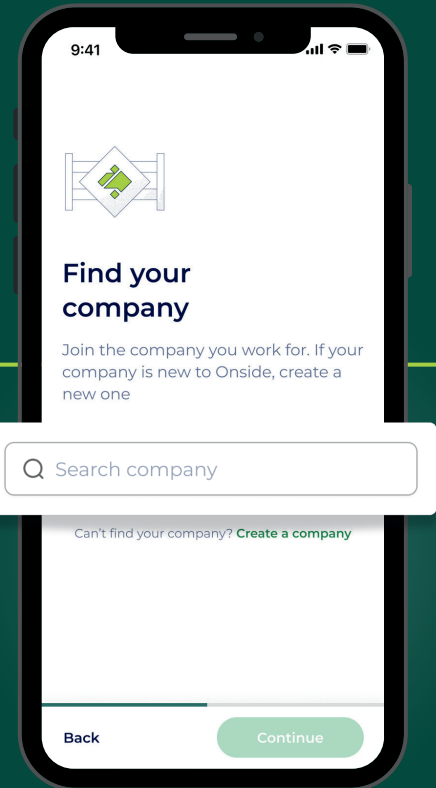

Download the **free Onside app** from the app store on your phone

2

CREATE YOUR PROFILE

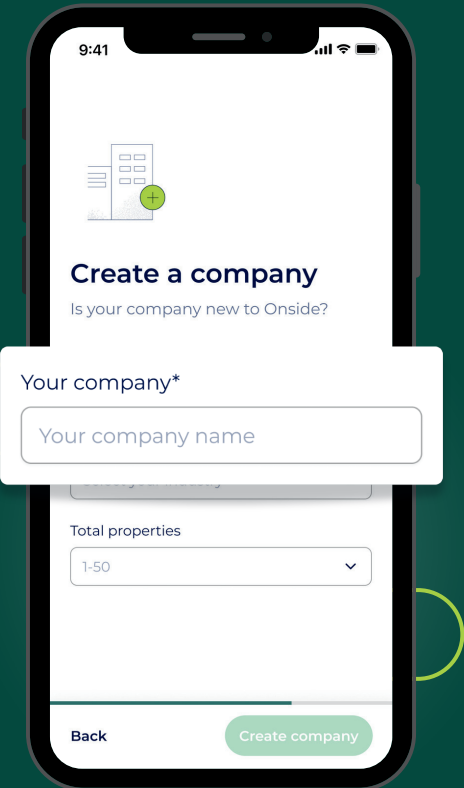

Enter the details to create your profile and set your password

3

FIND YOUR COMPANY

Search for the company that you work for, and **request to join** so that you can be linked to your team

4

OR, CREATE A COMPANY

If your company doesn't exist in Onside, click **'Create company'** and add your company details
