

HOW TO

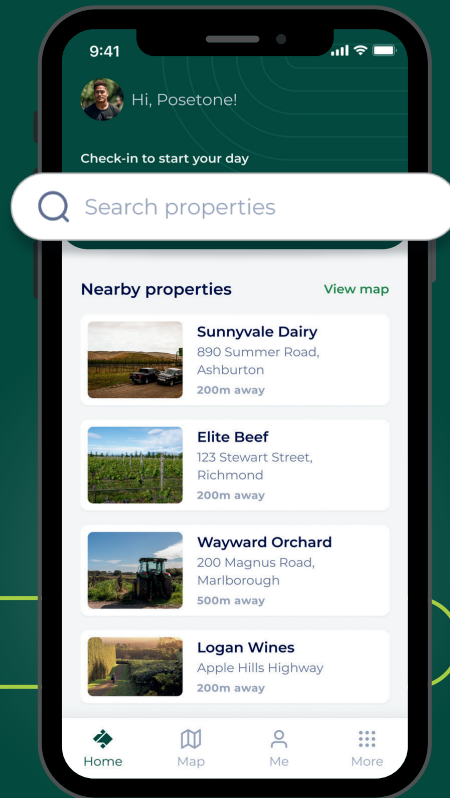

# Check-in with biosecurity movements

1

## DOWNLOAD THE APP

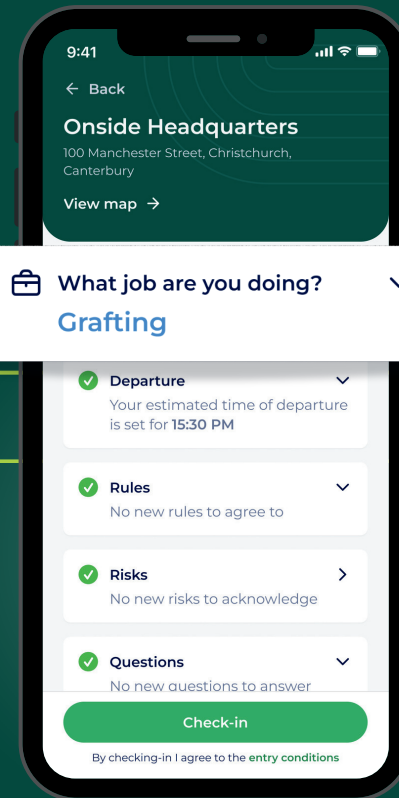

Download the free **Onside app** from the app store, and create your profile

2

## FIND THE PROPERTY

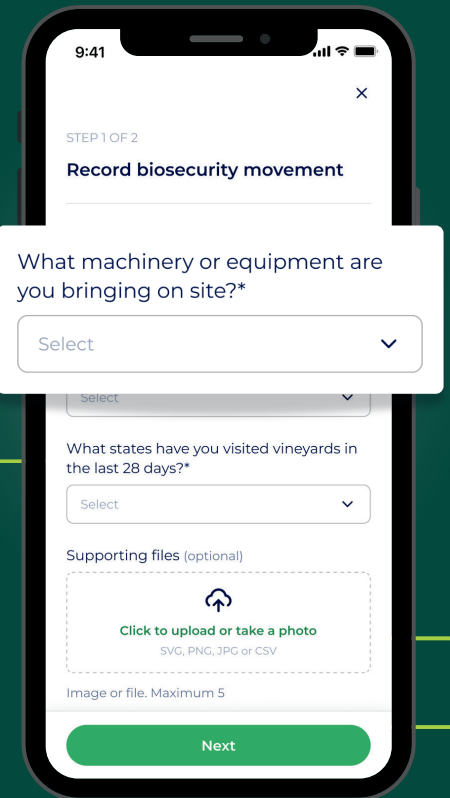

Search for the property you're checking in to, or select it from the 'nearby properties' list

3

## SELECT YOUR JOB

Select what job you're doing from the selection menu. Some jobs come with a higher biosecurity risk

4

## ADD THE MOVEMENT

For high biosecurity risk jobs, add a few extra details about what's coming onto the property
